

Product Bulletin

End-of-Life Notification

| | | | |
|------------------------|-----------------------------------|--------------------------|--------------------|
| Product Name: | UMC (Universal Mountable Charger) | Reference Number: | C007050_01_UMC_EOL |
| Date Announced: | December 5, 2011 | Date Effective: | December 5, 2011 |

The UMC (Universal Mountable Charger) has been replaced with a new charger called the ECS-H. The UMC is a charger for the CR2/CR2500 battery handle (BH1 & BH2). If the UMC is being replaced in your application with the ECS-H, the power supply, weighted base and mounting holes of the ECS-H are backward compatible with the UMC simplifying replacement. The UMC will be discontinued effective December 5, 2011.

End-of-Life Milestones
