code® Product Bulletin

CR2600 Product Line End-of-Life Notification

Effective: 1 Sept 2020

Product Information

Product Name	CR2600 Products (see Part Numbers Affected list below)
Reference Number	D036944
Announcement Text	This is the official notice that the Code Reader™ 2600 family of products will be discontinued and replaced by the CR2700 family of products effective 28 February 2021. All orders for CR2600 barcode scanners must be placed on or before that date. Product must be received on or before 31 May 2021. Accessories will be offered until 28 February 2022. Extended warranty options will no longer be available after 28 February 2021. Other pertinent dates are listed below. The direct replacements for CR2600 products are the CR2700 products which are currently available (see product tables listed below). If you have any questions regarding this notice or are interested in other products from Code, please contact your Code representative, or visit our website at https://www.codecorp.com.
